SCHEPENZEGELS : ENKHUIZEN

SCHEPENZEGELS.

Schepenzegels en/of wapens van Enkhuizen tussen 1427 en ca 1800 op Alfabet, hoort bij pdf-bestanden Regenten van Enkhuizen op ABC, en Regenten op Jaar.

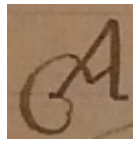

In de boeken van Semeyns de Vries van Doesburgh, in het archief te Haarlem, hieronder SVD genoemd, zijn vele overgeschreven akten te vinden die de Schepenen der stad hadden ondertekend met hun eigen zegel, waarvan dan een tekening is afgebeeld. Niet alles is even netjes, ook niet door mij gefotografeerd, te vlug vele bladzijden. Maar zodoende zijn er wel enorm veel wapens en merken van deze families te achterhalen. Ook zijn er nu opeens schepenen met elkaar te linken als familie, vaders en zonen die elkaar opvolgen. Niet alle Cornelissen en Pieters en Jannen zijn als familie herkenbaar. Daarnaast zijn er een hoop plaatjes toegevoegd uit andere bronnen, oa de 3 Wapenkaarten van Geraert Brandt bij zijn Historie van Enkhuizen. Alle bronnen zijn onderin te vinden.

Namen in **Vet** zijn te vinden in pdf-bestand *Patriciërs van Enkhuizen* op mijn website. Wanneer de vrouwenamen in **Vet** zijn, dan zijn het Regentessen van een van de zorginstellingen van de stad als het Ziekenhuis of Weeshuis, zie het pdf-bestand *Regentessen van Enkhuizen* op mijn website.
